

# MAV Associates

Representing Quality Manufacturers  
in the Jan-San Industry

## About us

We are centrally located in Philadelphia with offices in Feasterville and Bucks County PA.

MAV Associates is a leading Manufacturers Rep Firm that represents the Highest Quality Manufacturers in the Industry. We have developed long standing relationships with many of the largest supermarket & retail, healthcare, educational, & building service contractor groups nationwide. Our success in tethering those relationships with our distributor network gives us the unique ability to originate new business through selective distribution. Our years of experience and knowledge in equipment, chemical, facility maintenance products in this industry provides a strategic approach to sales and everyone's bottom line.
